

1Q17 Earnings Call

This presentation brings statements about future events that are subject to risks and uncertainties. Such statements are based on our Management's beliefs and assumptions and on information that the Company currently has access to. Statements about future events include information regarding our intentions, beliefs or current expectations, as well as those of the members of the Management Board and Company Directors.

Disclaimers according to the statements and the information about the future also include information about possible or presumed operating results, as well as statements preceded by, followed by or that include the words "believes", "may", "will", "continue", "expects", "anticipates", "intends", "plans", "estimates" or similar expressions.

The statements and information are not guarantees of future performance. They involve risks, uncertainties and assumptions because they are related to future events and, therefore, depending on circumstances that may or may not occur. Future results and value creation for our shareholders may differ materially from those expressed or implied by the statements made about the future. Many of the factors that will determine these results and values are beyond our ability to control or predict.
