NOTICE TO THE MARKET

OURO FINO SAÚDE ANIMAL PARTICIPAÇÕES S.A. (“**Company**”), in continuity with the response to Official Letter No. 529/2021-SLS, issued by B3 - Brasil, Bolsa, Balcão (“B3”) on April 20, 2021 and the Notice to the Market on May 19, 2021, hereby announces to its shareholders and to the market in general that the Company maintains no changes in the progress of matters involving the possible production of vaccines against COVID-19, despite news published in the media about this subject.

Therefore, the Company reiterates that it remains without sufficient and relevant information, data, characteristics and assessments of regulatory issues and investments on the subject that may impact an investor's decision to trade shares issued by it, and also states that its only official channel of information to the market on this matter is through its Investor Relations department.

Thus, the Company reinforces that it continues with its strategic planning focused on developing its product pipeline, which includes veterinary vaccines, and keeping its shareholders and the market in general duly informed of any developments in relation to this notice.

Cravinhos, July 28th, 2021.
